

**NOTICE OF JOB AVAILABILITY**

**TITLE:** Chief and Clinical Professor

**DUTIES:** Responsible for overseeing the delivery of high-quality clinical care in the Transplantation and Hepatobiliary Surgery division. Expected to rotate on a regular basis with other Transplantation and Hepatobiliary Surgery colleagues on the call schedules and be in charge of developing all call schedules. Develop and deliver a sound abdominal transplant didactic educational program to and instruct the medical students, general surgery residents and fellows. Attend departmental and organizational leadership meetings. Manage, direct and participate in departmental activities as needed in order to comply with administrative policies and external accreditation requirements, including Joint Commission and other regulations. Develop and arrange the Transplantation and Hepatobiliary Surgery Division to provide adequate supervision and evaluation of the clinical work, and implement policies and procedures as needed to maintain and improve services and programs. Arrange and facilitate divisional meetings, guest speaker courses and other presentations/classes pertaining to abdominal transplant in order to ensure the highest quality of education for medical staff. Assist in the recruitment and retention of high-quality physicians to complement existing medical staff and meet patient needs.

**REQUIREMENTS:** M.D. degree or equivalent, Florida Medical License, completion of an Intestinal and Multivisceral Transplant Fellowship and 5 years' experience with Abdominal transplant surgery. Expected to travel and work in different UF clinics throughout North and Central Florida.

**SALARY:** \$868,840.00 /year

**HOURS:** M-F, 40hrs/wk., 9am-5pm.
