

NOTICE OF JOB AVAILABILITY

TITLE: Data Management Analyst III (Data Integration & Systems Analyst)

DUTIES: This position will serve as the Data Management Analyst III (Data Integration & Systems Analyst) responsible for the timely completion of both production and constituent ad hoc reports, as well as the technical training/education of staff and other members of UF Advancement. Position reports to the Lead Data Solutions Analyst of Development Information Systems and provides support to UF Advancement in the area of data downloading and uploading as well creating interactive reports. Position also encompasses an educational component involving the training and education of UF Advancement's evolving technology systems, which includes developing and leading educational workshops/lectures/sessions, training/educational opportunities, and preparing/disseminating educational documentation/manuals. This position will also work with individual users and design, code and test reports, and determine specific reporting requirements. This is a professional position exercising independent judgment and discretion. Remote work/telecommuting is permitted.

REQUIREMENTS: Master's degree in Computer Science, Computer Engineering, Information Systems, Data Integrations, or a closely related field and 2 years (24 months) of experience as a Database Reporting Associate; or Bachelor's degree in Computer Science, Computer Engineering, Information Systems, Data Integrations, or a closely related field and 4 years (48 months) of experience as a Database Reporting Associate. Regardless of degree/experience, position requires extensive knowledge of Advancement systems and practices, including fundraising operations, donor and alumni engagement, stewardship processes, gift and pledge management, and compliance with donor privacy and restricted gift requirements. Position also requires specialized knowledge of Advancement technologies, including Salesforce Ascend, SnapLogic, Snowflake, and digital fundraising platforms that support donor, alumni, and stewardship operations.
